Mr. Michael Williams, Commissioner
Texas Education Agency
1701 North Congress Avenue
Austin, Texas 78701-1494

Dear Mr. Williams:

This letter is to confirm that the board of trustees for Canadian Independent School District has approved a program that will utilize physical activity in Category II for regular physical education. I understand that Category II activities do not involve Olympic level participation but must be certified by the superintendent to be of high quality and well-supervised by appropriately trained instructors. Student participation in this category must entail at least five hours per week and students may not be dismissed from any part of the regular school day.

This initial school year to which this request will apply is the 2015-16 school year. It is my understanding that receipt of this letter will activate approval for three years and that renewal after three year intervals will be expected.

Sincerely,

Mr. Kyle Lynch, Superintendent
Canadian Independent School District
